Introduction

The LAAS’s International Scientific Conference is an annual conference that will be held this year at the Holy Spirit University Kaslik in collaboration with the National Council for Scientific Research.

The LAAS’s International Scientific Conference is a forum for researchers, allowing them to present and discuss the results of their research in various fields of science and education.

The research axes of the conference are:

- Biological, Medical, Pharmaceutical and Health Sciences.
- Chemistry and Physics, Theoretical and Experimental
- Environment, Food Security and Agriculture
- Mathematics and Computer Science
- Engineering Sciences and Architecture
- Social and Human Sciences
- Economics and Management
- Education Sciences
- Arts and World Vision
- Relations: State, entreprises, universities.

Lebanese and foreign researchers are invited to participate in this meeting by submitting summaries of their research for possible oral presentation or poster or display, in the conference program. In addition to presentations of research in the areas already mentioned, the 22nd International Scientific Conference encourages addressing national and international issues, such as the transfer and assessment of new technologies, inter-university cooperation, university-industry cooperation, science education and innovative technologies.

Award for Career Excellence in Scientific Research

The Lebanese Association for Advancement of Science will grant an award to two outstanding investigators who have made an exceptional contribution to scientific research at the national and international levels.

This event will take place during the 22nd International Science Meeting on April 15, 2016, during the closing ceremony.

Eligibility:

- The nominee should be a Lebanese researcher who has made an outstanding contribution to scientific research during the previous years
- The award recipient will be selected based on the quality and quantity of his/her publications
- The selection will be made by an independent council of established researchers appointed by the Board of the Lebanese Association for Advancement of Science
- Major awards won by candidates will be taken into consideration

Instructions and Deadlines:

Scientists can either apply themselves or they can be nominated by people familiar with the candidate’s work by sending the following documents to the President of LAAS: naimouaini@laaslb.org; naimouaini@usek.edu.lb:
- Nomination letter
- C.V.
- 1 or 2 pages describing the nominee’s scientific achievements.

The deadline for submission is March 20, 2016
