L'OREAL-UNESCO FOR WOMEN IN SCIENCE LEVANT FELLOWSHIPS - 2018

1. Introduction

L'Oréal-UNESCO *For Women in Science Levant* fellowships program aims to promote the participation of young women in science coming from **Iraq, Jordan, Lebanon, State of Palestine, and Syria**. This program identifies and rewards talented young female scientists in the field of Life Sciences (such as biology, biochemistry, biophysics, genetics, physiology, neurosciences, biotechnologies, ecology and ethology) as well as Physical Sciences (such as physics, chemistry, petroleum engineering, mathematics, engineering sciences, information sciences, Earth and Universe sciences).

The Program honors **six talented young Arab women researchers** for the quality of their research works and encourages them to pursue a brilliant career in science in the Levant Countries.

- **3 fellowships amounting to Ten thousand Euros (€ 10,000 or equivalent in local currency)** each will be granted to Arab women researchers working in Research Laboratory, Institute, or University in one of the following countries: Iraq, Jordan, Lebanon, State of Palestine, and Syria.
- **3 fellowships amounting to Six thousand Euros (€ 6,000 or equivalent in local currency)** each will be granted to Arab women pursuing a PhD (doctoral degree) in Research Laboratory, Institute, or University in one of the following countries: Iraq, Jordan, Lebanon, State of Palestine, and Syria. The total amount will be used to cover the travel and accommodation costs related to scientific visits, trainings, specialized courses etc. of minimum two months abroad. This one should occur within maximum one year from the ceremony day.

The L'Oréal-UNESCO *For Women in Science Levant* fellowships are granted by the L'Oréal Foundation.

2. Eligibility Criteria
